BATHROOM EXPERTS

Introducing the Arnolds Matt Black Selection

Within this brochure you will find an array of matt black products from various brands, carefully curated to showcase the very best they have to offer. All of these products are finished with the same RAL coating. This means, despite which manufacturer they are from, they will all match perfectly. As a result of this, you can create a seamless bathroom design, mixing and matching products, ultimately giving you more to offer!

Throughout the brochure, you will find accessories, mixer taps, shower enclosures, plus much more which all coherently match.

The pricelist you will see highlights our stock profile, with all of these products available to order now.

At Arnolds, we strive to offer you the latest products, at a competitive price, with minimal wait time, and our Matt Black Selection is no exception.
